## Tara didi's 89<sup>th</sup> birthday, 5<sup>th</sup> July 2025

### A Note about Tara Jauhar – Honouring Her on Her 89<sup>th</sup> Birthday

Tara Jauhar or Tara Didi—as she is affectionately called is a devoted disciple of Sri Aurobindo and The Mother, and a tireless torchbearer of their vision of Integral Education in India. Deeply inspired by their teachings, she has dedicated her entire life to the inner and outer development of children and youth, helping to shape not just minds, but souls.

Born into a family deeply connected with the Sri Aurobindo Ashram in Puducherry, she received the blessings and guidance of The Mother herself—an experience that became the foundation of her life's work. Tara didi has always lived a life of spiritual dedication and selfless service. Her entire journey has been one of translating the ideals of a divine life on earth into concrete action—most notably through the field of education.

In recognition of her immense contribution to education and nation-building, she was honoured with the **Padma Shri, in 2022 by the Government of India**, in the field of Literature and Education.

One of her most cherished contributions is The Mother's International School (THE MIS) in New Delhi. Established in 1956 with just three students, the school now has over 2,400 students. Over the decades, THE MIS has flourished into one of India's premier educational institutions, renowned for blending academic excellence with a strong spiritual foundation. The school has been instrumental in shaping the lives of thousands of students, helping them grow into conscious, responsible, and compassionate individuals.

However, the school's infrastructure—built about five decades ago—now requires redesigning to align with the evolving educational landscape and the pressing need for environmental sustainability. In keeping with Tara Didi's lifelong dedication to both education and ecological consciousness, **the first phase of a new eco-friendly GREEN building for the Primary Wing has been planned and approved.** This project represents not just a structural upgrade, but a continuation of the values she has always stood for: holistic growth, innovation, and harmony with nature.

## **How You Can Honour Tara Didi's Legacy?**

True to her humble spirit, personal gifts do not resonate with her. Instead, what matters to her deeply is the continuation and expansion of the educational work she has devoted her life to.

As we celebrate her 89<sup>th</sup> birthday, we invite you to be part of this living legacy. Your support can help carry forward the flame she has so steadfastly nurtured.

We humbly welcome contributions in any amount. To commemorate Tara di's 89<sup>th</sup> Birthday, it could also be ₹89; ₹890; ₹8,900; 89,000 or 8,90,000.

**All contributions are eligible for deductions under Section 80G of Income tax Act.**

Your contribution is not just a donation—it is a seed for the future, a tribute to a life of purpose, and a commitment to building a better, more conscious world.
